In This Issue:

- Nickels & Dimes
- Board Meeting Minutes (no meeting this month)
- Membership Meeting Minutes (November)
- Upcoming Contest Calendar
- Naples Daily News 1/2 Marathon & Winter Field Day

The next Club Meeting will be held January 24th at 7:00pm
at the Red Cross - 2610 Northbrooke Plaza Drive - Naples, FL

Nickels & Dimes

I would like to take this opportunity to wish everyone and their family a warm and wonderful Holiday Season. Together we have had another busy year and there are a couple of great projects coming up in January we would like to highlight (with separate attachments) with this mailing.

Our annual Christmas Party earlier this month was well attended and those who participated had another great meal at Foxfire and even better time sharing *White Elephant* gifts of laughter and the occasional bottle of *good* wine. Thanks to all who helped make this party a success.

Of course, with the New Year just around the corner it's time to renew your ARASWF dues. Larry – N4LAK, our newly elected Treasurer, will be collecting your payments. They can be mailed to our PO Box, sent via PayPal, or paid at the next meeting (January 24th).

Speaking of the next meeting, by popular demand -- Dr. Torres – KP4AQI will be returning with a continuation of his very informative antenna presentation series don't miss the next meeting (and bring a dues check).

That covers most everything for the Club... just received my Allied Radio catalog, apparently, it was lost in the mail... now back to shopping for those last-minute items Christmas toys and gifts, wonder if the XYL would appreciate a new Hallicrafters S-120?

Best of health and fortune in the New Year, see you at January 24th meeting.

Very 73,

Ken-W9KB

PS – We normally do not publish a newsletter in December, but this grew from a planned email blast. Don't forget to read further inside about the Naples Daily News ½ Marathon event and the Winter Field Day Meeting before you dismiss this as fodder.

Amateur Radio Association of Southwest Florida

Regular Membership Meeting held at the Naples American Red Cross.
Tuesday, November 22, 2016

Officers and
Directors present:

Uli Altvater, AG0X – President
Ken Bills, W9KB – Secretary/Treasurer
Mark Harms, AC4ZM – Director
Larry Kielasa, KC8JCB – Director
Frank Halas – W4RBW
Dave Ducett, WB8VQU – Director
Craig Henning, NC2H - Webmaster

Absent:

Gary Lee, K8YMN – Director

Meeting called to order: Uli-AG0X welcomed the members and guests and called the meeting to order, followed by the Pledge of Allegiance.

Introduction: All attendees were introduced by name and call sign. Twenty-nine members were present and four guests: Carlos Satorius-NP2DL, Dave Nelson-W1FGN, Greg Kochendorfer-WB8ITK and Antonio Garcia-KK4QKJ.

Treasurer's Report: Ken-W9KB reported that Club checking balance was \$3,718.24 including the Club PayPal balance. There were \$25 dues revenue collected during the month and \$39.00 from last month's 50/50 raffle.

Old Business: Uli-AG0X reported that an older VHF/UHF antenna is currently being refurbished for installation at the Marbella site. This antenna will support a new DMR repeater and the D-Star repeater collated at that site. The Club net is held every Wednesday at 8pm (146.670MHZ)

Mark-AC4ZM reported that the next EmComm meeting will not be held until January 10th at 7pm at the Red Cross. The EmComm Net meets on the air every Thursday at 8pm (146.670MHZ).

Mark-AC4ZM reported we had three VE test candidates this month, two passed their General ticket and one passed their Extra exam.

Craig-NC2H reported that he made minor website updates this past month. NC2H encouraged members to check the website calendar for upcoming activity dates.

New Business:

ARASWF Club elections were held this month. The following slate was unanimously approved:

Uli Altvater, AG0X – President
Frank Halas, W4RBW – Vice President
Larry Kiesala, N4LAK – Treasurer
Ken Bills, W9KB – Secretary
Mark Harms, AC4ZM – Director
Criag Henning, NC2H – Director
Gary Lee, K8YMN – Director
Chris Taylor, KM4UJI – Director

Ken-W9KB announced the annual ARASWF Christmas Party will again be held at the Foxfire Country Club this year on Saturday December 3th. Cocktails (cash bar) 5:30pm, dinner 6:00pm.

Ed-K1UQE reported that the Naples Daily News ½ Marathon is scheduled for January 14th and he has his team ready to support the event. New members are welcome to come out and work with the event veterans.

Mark-AC4ZM mentioned that Winter Field Day will again be held at Larry-N4LAK's QTH on January 14th. An email blast will be sent prior to the event.

Social Break:

50/50 Raffle was won by Antonio Garcia-KK4QKJ (\$57), a guest from Hialeah, FL.

Presentation: Remote Operating Technology – Mitch-K7DX gave a very comprehensive presentation detailing several different methods to setup remote control of your radio station via the Internet. He demonstrated a connection to his remote station in Germany! A PDF copy of his presentation will be posted on the website or can be emailed directly contact Mitch at dj0qn@gmx.net

Adjourn: The meeting adjourned at 9:15pm.

Respectfully submitted,
Ken-W9KB, Secretary

Naples Daily News 2017 $\frac{1}{2}$ Marathon - Communications Plan

Final 12/10/2016

Members of the ARASWF and the Collier County ARES will be providing communications support for the Naples Daily News $\frac{1}{2}$ Marathon on **January 15, 2017**. The communications support will be in accordance with ARES operational plans and modified herein. A directed net for tactical communications will be coordinated by the Net Control Station (NCS) at the start/finish line of the event. Support will consist of amateur radio operators at each of the check points and a Net Control Station at the start/finish line.

Naples Daily News Contact:

Deborah Namaste, Member Naples Daily News Organizing committee.
239-298-6940. email: gcrdeborah@yahoo.com. Twitter: @NaplesDeborah

Collier County ARES Contact:

Edward Esborn, Collier County EC (Collier County ARES)
239-775-5907 (Home), 239-331-9855 (Cell) email: k1uqe@arrl.net

Tactical Callsigns:

Net Control Station or Marathon Net Control or Net Control.
For the check points, check point 1 (or as applicable).

Naples Daily News $\frac{1}{2}$ Marathon - Communications Plan

Tactical Frequency Plan:

Repeater: WB2QLP, 146.67 MHz, PL 136.5 Hz

Use for initial set up. Then go to 146.40 MHz, simplex.

Simplex: 146.40 MHz (Primary)

Naples Daily News $\frac{1}{2}$ Marathon - Staffing Plan.

There will be a net control station set up at the start/finish line and check points listed as shown below.

Check point location	Map Ref	Operator(s)
Net Control	Mile 0/13	Ed, K1UQE Henrietta, KA1JVN
Shadow	as Applicable	Ken, W9KB
Check Point 1	Mile 1.5 & 12*	Rich, K4AOR Chris, KM4UJI
Check Point 2	Mile 3.8*	George, AA4GT Larry, N4LAK
Check Point 3	Mile 5.8*	Mark, AC4ZM Sharon, NH6GR
Check Point 4/6	Mile 7.5 & 10.5*	Irv, W1ERE Craig, NC2H
Check Point 5	Mile 9*	John, W4PYZ Bob, WA1IDA

*Note: Mileages are approximate and actual location will be where the race marshal/water table for that check point sets up their station. See map for water station locations.

Course Overview

The start point is on 5th Ave. S adjacent to Cambier Park. Then proceeds west to and turns left onto Gordon Dr. (Also known as 2nd St.). Then proceeds south to a turn around and then north to Kings Town Dr. Right onto Kings Town Dr. and then right onto Ft. Charles Dr. to the end and then back to Treasure Lane. Proceed then onto Galleon Dr. Back to Treasure Lane and return to Gordon Dr. North on Gordon Dr. to 8th Ave. S. Then East and left onto 8th St. to the Finish. (See attached map).

The start time is 7:00 AM and should be over by 10:30 AM to receive credit for the run, however, there may be some stragglers. All check points should be operational by 6:30 AM.

Personal Items

Items you should bring with you:

- 1, Equipment: Mobile radios capable of 25 watts or better and a 5/8th wave antenna or equivalent.
- 2, A hand held with extra battery as required pre-programed for 146.67 MHz (PL 136.5 Hz) and 146.40 simplex.
- 3, A portable chair and card table (table optional as there should be one at the check point).
- 4, Drink or snack (also optional as there is usually water etc. at the check point).
- 5, A Pad and pens and/or pencils.

Naples Daily News $\frac{1}{2}$ Marathon 2017 - Operator's Notes

The primary role of Amateur Radio in support of the Naples Daily News $\frac{1}{2}$ Marathon is to provide communications between the various check points and the organizers of the event and to provide public safety assets (if needed) to promote a safe and orderly event. **If an emergency occurs, protocol for this event is for the checkpoint marshal (or representative) to call 911. The radio operator would then inform the NCS that the issue had been resolved.** A secondary role is one of public visibility for Amateur Radio and the Amateur Radio Emergency Service (ARES).

All operators should wear the Hi-Visibility ARES vests provided. These belong to the ARASWF and should be returned at first convenience.

Note: Operators along the route should not be directing traffic! We are not trained and/or certified for this. Your personal safety could be at risk as well as the possibility of incurring significant liability for doing so.

We will use **"tactical callsigns"** as assigned in this plan. The use of tactical callsigns helps clarify the function of individual stations. These tactical callsigns should be used in lieu of Amateur callsigns for all initial calls and for subsequent exchanges of traffic. However, the station operator must still follow all FCC rules when operating the station. Your amateur station callsign should be used at the end of an exchange or every ten minutes to satisfy FCC regulation 97.119. This requirement is easily satisfied by terminating an exchange with your tactical callsign plus your FCC assigned amateur callsign. For example, the NCS might end an exchange with "Check point 2 this is Net Control, Roger message, K1UQE".

Operator Note Page

Winter Field Day Planning Meeting

Friday Jan 6, 2017

1-4 PM

Larry's House N4LAK

2591 White Blvd

Map attached. From I-75 head east on Pine Ridge. Pine Ridge turns into White Blvd just east of Collier. Proceed 2 miles and my house is on the left. If you come to a turn in the road, you have gone too far.

Agenda:

1. Review the 2017 rules
 - a. Remember, we can't change them. We will discuss how to maximize our score within the rules.
2. Review the site
3. Plan the antennas
4. Plan operator assignments, band and mode coverage and available equipment
5. Plan station set- ups

Google Maps 2591 White Blvd

Amateur Radio Parity Act Bill Unable to Overcome Florida Senator's Objections

The Amateur Radio Parity Act, H.R. 1301, suffered an unbecoming demise on December 9 as the 114th Congress drew to a close. After passing the House of Representatives on a unanimous vote earlier this fall, the bill stalled in the Senate due to the intervention of only one member, Sen. Bill Nelson (D-FL). The measure would have directed the FCC to extend its rules relating to reasonable accommodation of Amateur Service communications to private land-use restrictions, such as covenants, conditions, and restrictions (CC&Rs) imposed by homeowners associations.

"[During 2016] Nelson received thousands of e-mails, letters, and phone calls from concerned constituents asking for his support of H.R. 1301. Numerous meetings were held with his senior staff in an effort to move the legislation forward," ARRL said in a [news release](#). "Negotiations, which led to an agreement with the Community Associations Institute ([CAI](#)), the national association of homeowner's associations and publicly supported by CAI and ARRL, were brushed aside by Sen. Nelson as irrelevant."

In a final meeting with Nelson's staff as the 114th Congress neared adjournment, it became clear that no matter what was said or done, the Senator would oppose the bill and refuse to allow it to move forward. Because the measure had not been put on the floor schedule, the only way it could have passed the Senate would have been through a process called "unanimous consent." A Senate member may request unanimous consent on the floor to set aside rules and expedite proceedings. If any single Senator objects, though, the request is rejected.

The unhappy ending followed nearly 2 years of intense effort on the part of ARRL and thousands of its members, who contacted their Congressional representatives to urge their support of the measure on Capitol Hill. The ARRL Board of Directors is expected to discuss the future of the initiative at its January meeting.

National Parks on the Air Contact Tally Tops 1 Million!

Participants in ARRL's National Parks on the Air ([NPOTA](#)) program have completed more than 1 million contacts! Activators operating from National Park Service units across the US and Chasers around the world pushed the contact tally over its goal this week. ARRL sponsored NPOTA to help the National Park Service celebrate its centennial.

"National Parks on the Air has become one of the most popular events in the history of the League," NPOTA Administrator Sean Kutzko, KX9X, said. "It's been fun seeing so many hams take part."

Kutzko said the NPOTA Facebook group really helped drive participation, especially in the last 3 months, when it became clear that the 1 million-QSO goal was within reach. "Some 25,000 NPOTA contacts were uploaded to Logbook of The World ([LoTW](#)) every week since October," he noted. "The entire group came together and simply willed the 1 million-contact mark to be broken. It was incredible to watch!" He said some real friendships developed among those who frequented the NPOTA Facebook page.

Those taking part in NPOTA made nearly 20,000 visits to 460 of the 489 NPS units eligible for NPOTA credit, including portions of the National Trails System and the National Wild and Scenic Rivers System. Nearly 150 Chasers completed contacts with more than 400 of the 489 NPOTA units this year, while one Activator transmitted from more than 250 different NPS units in 2016. Kutzko said the activations effectively transported those National Park Service units via radio to all 50 states and more than 100 countries during 2016.

Kutzko said NPOTA garnered interest from hams at all proficiency levels, but he was especially gratified to see how it encouraged less-experienced hams to acquire new skills, such as operating a portable station on battery power, learning CW, or discovering digital modes. "Pileups from some activations rivaled those during a major DXpedition -- if only for a few hours at a time," he added.

Anthony Wiese, KG6LHW, operates from John Day Fossil Beds National Monument in Oregon, accompanied by his wife, Aleda Cloud.

Fernando Ramirez-Ferrer, NP4JV, enjoyed the majesty of Grand Canyon National Park while handing out some NPOTA contacts via satellite.

Jim Clark, Jr., an NPS Ranger at Marsh-Billings-Rockefeller National Historic Site in Vermont, said NPOTA helped to generate greater awareness of his unit. "National Parks on the Air has afforded us the opportunity to connect with a much larger and more diverse audience than we could have ever imagined," he told ARRL. "We are pleased and proud that the world of Amateur Radio helped us to celebrate 100 years of service to the nation."

Kutzko said being able to blend Amateur Radio with the history and scenery offered by the National Park Service was a wonderful gift. "We

heard from countless amateurs who learned something about our country while operating from an NPS unit and experiencing 'the other side' of a pileup. There will be other on-air events from ARRL, but National Parks on the Air was a once-in-a-lifetime opportunity. I don't think there will ever be anything quite like it in Amateur Radio again. I will miss it."

NPOTA ends on December 31 at 2359 UTC!

Royal Palm Chapter 152 meets every second Thursday of the month

This Application must be filed prior to the Membership Business Meeting at which time action will be taken. It is not mandatory that the applicant be in attendance.

The Membership Business Meetings are held the fourth Tuesday of every month at 7:00 PM (except June, July, August and December) at the American Red Cross Building at 2610 Northbrooke Plaza Drive, Naples, Florida.

The ARASWF Newsletter is distributed monthly by e-mail prior to the monthly Membership Business Meeting and contains meeting dates, location and other information, and will be sent to the e-mail address indicated on this Application. If you do not have an e-mail address, the please notify us and request that the Newsletter be sent to you via U.S. Mail.

Please mail this Application with a copy of your Amateur Radio License and a check or money order in the amount of \$25.00 (annual membership dues), to the ARASWF at the address below. Paid membership is valid for one calendar year. If a new member's Application is dated after July 1st, the annual membership dues are one-half the annual dues amount, and a check or money order in the amount of \$12.50 should accompany this application.

Please make checks or money orders payable to "Amateur Radio Assn. of Southwest Florida", or to "ARASWF".
